Vanjoin Group was founded in 2006, headquartered in Wuhan, which is known as "the thoroughness of nine provinces", is a highly specialized, standardized and international enterprise integrating research and development, design, manufacturing and sales at home and abroad. Vanjoin Group was successfully listed in November 2017 under the stock code of 872315. Since its establishment more than ten years ago, the group has always been adhering to the enterprise concept of "Giving More Greenness Back to the Earth by Technology", and has built a product system with the theme of "Vanjoin Living Family". Vanjoin Group is a manufacturing and processing enterprise specializing in the production of glass products and deep processing, with an existing workshop and warehouse area of 142,000 square meters, an annual production capacity of more than 5 million heavy boxes, a total asset of about 1 billion, and built a New Materials Research and Development Design Center. The company has more than 300 employees, among which R&D and design personnel account for 15%. The company has 3 float glass production lines with a daily melting capacity of 1000 tons, which can produce different varieties and specifications of 1.1-19mm high quality glass, 9 deep processing lines, and can design customized products according to customer requirements. The products have passed ISO9001 international quality system certification and ISO14001 environmental management system certification, ensuring the stability of product quality, products are exported to North America, Australia, Europe, the Middle East, Southeast Asia and so on.

企业核心价值
Vanjoin's Core Values

忠诚敦厚 人之根基
博观约取 厚积薄发
Loyalty and sincerity, foundation of a person; wide view and frugal use, profound accumulation and gradual delivery.

经营哲学
Business Philosophy

小胜靠智 大胜靠德
居安思危 有备无患
Narrow victory by wisdom, solid victory by morality; being vigilant in peace time, forethought prevents calamity.

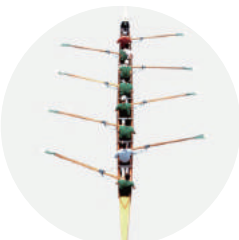

企业愿景

GIVING MORE GREENNESS BACK TO THE EARTH BY TECHNOLOGY.

BRAND STORY

If you ever pay attention

Must have found

We use glassware products everywhere
in our lives

Why do people prefer packaging products
made of this material?

From the raw material of sand to the crystal
clear beauty

It combines light and color,

Often integrating into surrounding environment

Glowing with a special charm

01 page

GLASS CONTAINER MANUFACTURER

02 page

If you also feel

Cleanness and transparency brought by glass

You can find in this catalog or tell us your demands,
let us create your idea into reality

As a supplier and manufacturer of glass container
products

We have wide range of glassware products

devoting ourselves to promote the healthy
glassware package

Discover beauty and create a green earth

✧ About us.

Vanjoin Group --- a professional glass container manufacturer such as bottles, jars and so on, also exporter in this field over 10 years. In 2017, we founded our own brand MOCALE for creative home decor glasswares, as well as self design packagings.

All the items are food safe made strictly according to FDA standard. The factory occupies 3000 square meters with 6 production lines and over 100 employees. With a production capacity of 300,000 pcs per day, as well as 100,000 square meters standard warehouse, we accept orders flexibly.

Glassware products range: food & beverage packing, chemical packing industries: wine glass, drinking glass, wine bottles, beverage bottles, food packaging jars, spice jars, amber bottles, etc. Customized items are warmly welcomed.

Our products have been widely exported to USA, Canada, Australia, New Zealand, Germany, Middle East, Japan, Korea, Greece, Malaysia, Philippines, Qatar, Vietnam and so on.
